IMPORTANT-PLEASE READ

Dear Families,

We have been working hard to perfect our dismissal process, and I am proud to say that we clear the dismissal lines in 5-7 minutes daily! Please utilize our drive-thru for dismissal. Teachers are teaching until the last minutes of the school day, and then they are working hard to get all of our 250 students safely to our dismissal locations to start dismissal promptly at 3:30.

When parents come into the office to pick up kids, teachers have to stop what they're doing to answer calls, and it interrupts the entire pick-up process and causes confusion. Often times, this also takes much longer than driving through the pick-up lane does. Plus, you get to see Mr. Teer and Mr. Bedford in the drive-thru, and your students are brought directly to your car! :)

Thank you so much for your cooperation and helping us streamline dismissal!
