What Does it Mean to Be a Title I School?

Being a Title I School means receiving federal funding to supplement the school's existing programs.

These funds are used for:

- Identifying students experiencing academic difficulties and providing timely assistance to help these students' meet the State's challenging content standards.
- Purchasing supplemental staff/programs/materials/supplies
- Conducting parent and family engagement meetings/trainings/activities

Being a Title I School also means parent and family involvement and knowing your rights under ESSA.

What is the 1% Set Aside and How Are Parents Involved?

1. Any LEA with a Title I Allocation exceeding \$500,000 is required by law to set aside 1% of its Title I allocation for parent and family engagement.
2. Of that 1%, 10% may be reserved at the LEA for system wide initiatives related to parent and family engagement. The remaining 90% must be allocated to all Title I schools in the LEA. Therefore, each Title I school receives its portion of the 90% to implement school level parent and family engagement with clear expectations and objectives for meaningful involvement.
3. You, as Title I parents, have the right to be involved in how this money is spent.

What is the LEA Consolidated Plan?
