

To Parents/Guardians of JRP Scholars:

I Learn is fast approaching, and we have come up with a schedule to test our scholars in the most efficient way possible during this pandemic. The I Learn Testing window opens on April 19th. We will begin testing our seventh grade scholars that week. Eighth grade scholars will begin testing the week of April 26th. Below is a schedule of REQUIRED IN PERSON student attendance during the I Learn testing. This includes all students that are 100% Virtual.

Students must attend ALL DAY during their testing period

Grade	Date	Date	Date	Date	Date
Grade 7	April 19	April 20	April 21	April 22	April 23 (make ups only)
Grade 8	April 26	April 27	April 28	April 29	April 30 (make ups only)

Here are four things you need to know about statewide testing for Spring 2021:

1. Schools are required by state and/or federal legislation to administer assessments, such as ILEARN, ISTEP+, I AM, and WIDA.
2. Statewide summative assessments are considered high-stakes and may not be given to students remotely since doing so would pose a risk to the accuracy of test data.
3. IDOE provided schools guidance for administering state assessments to students who are learning remotely. Some strategies schools can use to safely administer tests include: Bringing students onsite for 1:1 or small group testing or administering tests to groups of students on different days.
4. Although state summative assessments may not be administered from home, schools and teachers may decide to have students take classroom tests or benchmark tests while learning from home.

We look forward to seeing everyone for I Learn Testing. Please feel free to reach out with questions and/or concerns.
