Eagle's Nest Academy is a tuition-free, public charter school serving grades K-6 in Flint, MI. Our vision is to create an environment of excellence for our scholars. We strive to develop the maximum potential of our scholars, shaping them into model students, future professionals, and productive citizens in our community.

At ENA, sports and afterschool programming are not just extras, they are a vital part of our mission to educate the whole child. Whether it is building teamwork on the basketball court or exploring new skills in afterschool clubs, our scholars thrive through opportunities that go beyond the classroom. These programs are a highlight of the ENA experience and a priority for nurturing confident, well-rounded leaders.
