

## Homelessness Assistance

PLA works to help provide services to scholars and families experiencing homelessness in accordance with the McKinney-Vento Act.

The McKinney-Vento Act protects scholars from discrimination based on their lack of a permanent residence. Homeless scholars are those who lack a fixed, regular, adequate nighttime residence. This includes scholars who are sharing the housing of others due to loss of housing, economic hardship, or similar reason; are living in motels/ hotels, trailer parks, or campgrounds due to lack of alternative adequate accommodations; are living in emergency or transitional shelters; are abandoned in hospitals.

Scholars experiencing homelessness are eligible to receive a variety of services including:

- Immediate enrollment (even if lacking enrollment required documentation);
- Transportation Services (To and from the school of origin, if requested)
- Free meals
- English Language Learner (ELL) Support
- Gifted and Talented Programs
- Special Education Services
- Title I Services

Please contact your school's McKinney-Vento Liaison with questions regarding the McKinney-Vento Act or school available resources.
